## CORPORATE PROFILE

Intrepid Distributors, Canada's leading independent Distributor of Industrial Electronic Components, Electrical, Test Equipment and Automation Products, has been building partnerships with Canadian and American businesses for over 32 years.

We specialize in developing customized programs and services to suit our OEM and MRO customers' needs. Our commitment is to provide a complete range of components from more than 700 world-class manufacturers.

We are an ISO9001-2008 Certified Company.

Our Mission is "Providing Electrical and Electronic Products, Ensuring Integrity and Customer Satisfaction"

## Our People

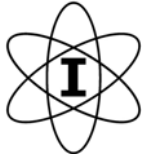

Our staff is the best and most thoroughly trained in Canada. The Sales and Marketing staff receives on-going technical training. Our Sales and Customer Service professionals are trained to deal with customer emergencies.

## Our Values

INTREPID sets the highest ethical standards, which our employees are required to follow. From this base, we make our commitment to Customers and Suppliers to build lasting partnerships. INTREPID believes in encouraging the continuous development of our employees through regular professional training and education. By helping our employees' gain a stronger foundation for their own lives and careers, we feel we have returned the favor of their loyalty, hard work, and dedication.

## OUR STRENGTHS

- We offer ONE STOP PURCHASING for your entire electronic component needs.
- We offer COMPETITIVE PRICES through our independent distributors network.
- We offer BLANKET ORDERS facilities in order to reduce your paper work for routine product purchases.
- We offer a HARD TO FIND PRODUCT SEARCH service in order to source electronic parts that have long lead times or are discontinued.
- Each sales person handles a limited number of accounts, in order to give the BEST POSSIBLE SERVICE to our customers.
- EMERGENCY QUOTATION available via FAX/EMAIL/PHONE.
- The ability to provide DUTY FREE prices for your export orders.
- A dedicated and KNOWLEDGEABLE STAFF.
- "Standard Parts" ordered by noon are normally SHIPPED THE SAME DAY
- We offer VOLUME BUYING DISCOUNTS on your yearly requirements.
- A MILITARY PRODUCT DIVISION to source your Government/Military requirements. (More than 330 military specification/QPL numbers.)
- VALUE ADDED SERVICE.
- SPECIAL HANDLING for your "sensitive/active" electronic components.
- Computerized worldwide PART-FIND EXCHANGE, listing millions devices.
- EDI Facility.
