INTREPID is an ISO 9001:2008 Certified Independent Distributor of Industrial Electronic Components, Electrical, Test Equipment and Automation Products.

Our Mission Statement is *“Providing Electrical and Electronic Products, Ensuring Integrity and Customer Satisfaction”*.

To ensure supplied product is Genuine and Traceable, we purchase products direct from Manufacturer or from the Master Distributors or from Groups like GENIE Network.

TRANSPERENCY is not just a buzzword, TRANSPERENCY is a matter of ethics and INTREPID is known for its Ethical Standards.

To help you consolidate your procurement and reduce time & administrative cost, we can source over 700 Manufacturers product lines for you.

We say *“If it is out there, we will get it for you”*, which specifies our sourcing capability.

We can be reached at [www.intrepid.on.ca](http://www.intrepid.on.ca) or [www.intrepidamerica.com](http://www.intrepidamerica.com)
